ORDERING INFORMATION				
CATALOG NUMBER	DESCRIPTION	STANDARD CARTON		
		QUANTITY	LBS.	CU. FT.
RA20	20" Arm	10	32.5	2.37
RA20LP	20" Arm	8	29.4	2.24

The Heavy Duty Nonmetallic Cable Rack is covered by:
US PATENT No. 7,140,500
CANADIAN PATENT Nos.
2,486,904 - 2,640,899

The low gusset profile of the RA20LP arm results in a large increase in the available area between arms while maintaining the same load capacity as the standard RA20 arm.
